PARISH

MAN UP PHILLY POP-UP BANNER

NOW AVAILABLE!

Man Up Philly, the Philadelphia Catholic Men's Conference, is happy to announce that they have available to parishes self-supporting pop-up posters that can be placed in the church narthex and other appropriate places to let men know of the upcoming conference.

This poster is self-standing, light-weight, and has its own base. Nothing needs to be hung on the walls or doors. The poster is approximately 30" x 78". Large enough to be easily seen, yet small enough not to intrude upon the worship space.

The committee members can deliver the banners, set them up if you wish, then pick them up after the conference takes place.

For more information or to reserve a banner for your parish, please contact Ed Klenk at 215-436-0956 or email him at manupphilly@gmail.com

Thank you for your support!
